SCAN ME

Dear Parents and Guardians,

We are thrilled to announce that we are now in a position to offer a small number of bursaries to families who satisfy our criteria.

Our bursary programme is designed to provide financial assistance to families who truly value the Atelier 21 experience. We believe in nurturing young talent to empower as many children as possible to reach their full potential. We are particularly keen to ensure Atelier's community is represented by a diverse range of people from all walks of life.

We are offering a selection of bursaries across the school for pupils age 4-14, who are interested in joining our school between now and September 2024.

This is just the start. We feel passionate about making the opportunities and quality of education at Atelier 21 more widely available to young people. As such we are currently establishing a foundation to support those who wouldn't ordinarily be able to afford our school fees.

Thank you to local company, The Substantia Group, for their financial support which is enabling us to open up opportunities for more children to benefit from our revolutionary response to school. It is empowering us to truly drive to change and improve education for the future.

Bursary Application Form
